

# MATT BANGA

MINSITRY OF SOUND - ELEKTIKA RECORDS

## OFFICIAL PRESSKIT 2021

LONDON - UK

Original Dance music producer pioneer since the 90s , with over 100 releases which includes 50 vinyl releases from the early days of hard dance music and techno. Matt Banga aka Miles Thomas for his Tech House and Techno productions, was released on Warner Compilation, Universal Happy Music France and Ministry of Sound UK. He also produced every summer the compilations albums for the biggest open air club in europe called Via Notte on Corsica island. With his music experience he has traveled around the globe from the USA to Australia and Europe. His style has now matured towards house Deep house and Tech. With many collaborations with Singers and rappers from UK.

Recently played as guest Dj for Pacha in London. He is the main man behind Elektik Media and Elektika Records , his own independant record labels specialist in House , Club and Techno music.

His Last 2 mixed Compilations \*Ganic House Session \*& Deep Breaths Vol 3 have been hitting the Global TOP 100 House Charts on Mixcloud. He will be on tour in Latin America - Mexico Tulum and More from december to march 2024 playing his music to some of finest Beachclubs and Rooftops To Festivals.

He Has Now joined the Moai Dj International Agency , so if you need to book BANGA , you can do it via their site or Via our Record Label Website.
